Open to all Somerset Freemasons aged 40 or under

We are a group focused on providing a platform for younger members of the craft to find their feet in Freemasonry amongst those from a similar age group. To join, simply email the secretary requesting to be included in our regular event and newsletter emails.

Also open to Somerset Freemasons who have been a Master Mason for less than 5 years

We are also here to help those Somerset masons who have been in the craft for 5 years or less, regardless of age, to enjoy their Freemasonry with brethren at a similar stage of their masonic journey.

Membership is Free!

Membership of the Adair Club is currently free to all who are eligible to join us so there's no reason not to get involved and sign up!

A little bit about The Adair Club....

We are open to all Masons aged 40 and under or have been a mason for five years or less.
@youngmasons.co.uk

Freemasonry has a rich and diverse spread of members, but sometimes newer and younger members can find themselves in a minority. In this respect the Adair Club is more of a social club offering an opportunity for all younger brethren to share friendship and fellowship as well as having some fun with other like minded masons. We also arrange visits to lodges and side degrees in order to expand your masonic experience without visiting on your own, which can be a little daunting at times.

The club organises various social events, some for masons only, some to include their friends, partners and families. It is hoped this will ensure we embrace our member's families and bring them into our Masonic lives as well as offering the potential opportunity for friends who may be interested in joining having the chance to meet some Junior Freemasons in a social environment.

The Club is growing in support across the Province and has arranged a number of successful events.

We would like to expand our number of local groups in the Province. The aim is for these new groups meeting locally, would be to join up with other groups from time to time and perhaps hold a Province-wide get together once or twice a year. Please get in touch if you are interested in being involved.
