

The Dunckerley Club Bath Masonic Hall

Saturday 27th July 2019

Dear Sir and Brother,

Since our last Meeting we have sadly lost more of our members but I know they would want us to carry on in the spirit of continued friendship.

Previous events have been successful and happy occasions, with reunited friends catching up on news, reminiscing about *the good old days* and comparing experiences with newer Brethren.

Our next Meeting is planned for Saturday 27th July, to which you are encouraged to seek out and accompany anyone (young or old) who you may not have seen for a while and who will probably be missing the camaraderie we more regular Lodge members enjoy.

The customary format will be:

12:30 Drinks reception

13:00 Lunch (£15) in the atmospheric dining room

Dress code - smart casual

After lunch we have a speaker:

W Bro David Hayward, with 50 years experience in the Hotel and Catering sector, who has more than a passing interest in wine (he has qualifications) will talk on the changes in the wine industry over those 50 years and, in particular, what is happening in the wine world today.

There may also be a tasting or two!

An early indication of numbers would be extremely useful and an email to register your support and intention to attend would be very much appreciated: but to secure your place please send a cheque (payable to *SMFA-NE*) to me at the address below.

I look forward to seeing you then.

With best fraternal wishes,

David
