

DO YOU REMEMBER
TIFFANY'S *Chemies*
NEROS CAROUSEL APOLLO
and other 70s/80s Bath nightclubs ?

Were you a clubber in Bath between 1968 & 1983 ?
Then you will remember when hair was big and flares were larger,
Geno was at the Pav' and names like "Dimension", "Speakeasy"
"Apollo", "Carousel", "Tiffanys" "Monaco Rooms" and Nero's".
Where the music was a mix of Stax, Tamla, Soul, SKA, Funk
and of course DISCO.

Dimension 50 invites you to dance those years away
and relive the atmosphere of the disco era with ex-Tiffany's
Nero's and now Soultrain Radio DJ, Paul Mallon.
